Notes to and forming part of the Performance Report

Otorohanga Club Incorporated For the year ended 31 March 2023

1. Statement of Accounting Policies

Otorohanga Club Incorporated is a club, registered under the Incorporated Societies Act 1908.

The performance report of Otorohanga Club Incorporated has been prepared according to generally accepted accounting practice in New Zealand as determined by the External Reporting Board.

Statement of Compliance and Basis of Preparation

Otorohanga Club Incorporated is eligible to apply Tier 3 PBE Accounting Requirements: PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit), on the basis that it does not have public accountability and has total annual expenses of equal to or less than \$2,000,000. Club has elected to report in accordance with PBE SFR-A (NFP). All transactions in the Performance Report are reported using the accrual basis of accounting.

The accounting principles recognised as appropriate for the measurement and reporting of the Statement of Financial Performance and Statement of Financial Position on a historical cost basis are followed by club, unless otherwise stated in the Specific Accounting Policies.

The information is presented in New Zealand dollars. All values are rounded to the nearest \$

Specific Accounting Policies

The following specific accounting policies which materially affect the measurement of the Statement of Financial Performance and Statement of Financial Position have been applied;

(a) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable for the sale of goods and services, to the extent it is probable that the economic benefits will flow to club and revenue can be reliably measured.

Gaming Revenue is recognised according to the gaming machine profits per the Electronic Monitoring Systems (EMS)

Subscriptions are recognised for the period for which the subscription relates.

Interest Received is recognised as interest accrues, gross of refundable tax credits received.

Grants are recognised as revenue when the funding is received unless there is an obligation to return the funds if conditions of the grant are not met. If there is such an obligation, the grant is initially recorded as a liability and recognised as revenue when conditions of the grant are satisfied.

(b) Inventories

Inventories are recognised at the lower of cost and net realisable value determined on the weighted average costs method.

(c) Trade Receivables

Trade Receivables are recognised at estimated realisable value.

(d) Bank Accounts and Cash

Bank accounts and cash comprise cash balances and bank balances (including short term deposits with original maturities of 90 days or less)

(e) Property, Plant & Equipment

Property, plant and equipment are stated at historical cost less any accumulated depreciation and impairment losses. Historical cost includes expenditure directly attributable to the acquisition of assets and includes the cost of replacements that are eligible for capitalisation when these are incurred. All other repairs and maintenance expenditure is recognised in profit or loss as incurred.

Depreciation is calculated on a straight line/diminishing value basis over the estimated useful life of the asset based on estimates by management. Assets estimated useful life is reassessed annually. The following estimated deprecation rates/useful lives have been used:

Land and Land Improvements	0%-5% DV
Buildings	2%-20% SL
Gaming Machines	20% SL
Golf Plant & Equipment	10%-50% DV
Motor Vehicles	30% DV
Plant & Equipment	8%-40% SL
Plant & Equipment	10%-25% DV

An item of property, plant and equipment is derecognised upon disposal or when no further future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the year the asset is derecognised.

(f) Income Tax

The Incorporation is partially exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions under Section CW 46 of the Income Tax Act 2007, as a body promoting amateur games or sports.

(g) Emplyee Benefits

Employee benefit obligations are presented as current liabilities in the Statement of Financial Position if the entity does not have an unconditional right to defer settlement for at least 12 months after the reporting period, regardless of when the actual settlement is expected to occur.

(h) Goods and Services Taxation (GST)

The Club is GST registered. All amounts are recorded exclusive of GST, except for debtors and creditors which are stated inclusive of GST.

(i) Accounts Payable

 $Accounts\ payable\ are\ obligations\ on\ the\ basis\ of\ normal\ credit\ terms\ and\ do\ not\ bear\ interest$

(j) Changes in Accounting Policies

During the year the Club installed a new inventory system which calculates inventory costs using the weighted average method. In the prior year inventory costs were determined using the first-in, first-out method.

The impact on the financial statements due to the change in cost method can not be determined as the information is not available. The impact of this change is not deemed material. All other policies have been applied in line with the prior year.

Finance Now	36	August 2023	\$460.03
United Gaming Limited - Servicenet	36	April 2024	\$1,685.00

Events After Balance Date

2023: There have been no significant events after balance date.

	NOTES	2023	2022
3. Accumulated Funds			
Opening Balance		2,054,156	2,126,652
Surplus/(Deficit)		182,911	(72,496)
Total Accumulated Funds		2,237,067	2,054,156
Accumulated Surplus or Deficit			
Amount Brought Forward		(318,694)	(290,734
Add Current Year Surplus/(Deficit)		182,911	(72,496
Less Transfer to Restricted Reserve - Reserve - Gaming Surplus/(Deficit)	13	195,452	44,536
Total Accumulated Surplus or Deficit		59,669	(318,694
Restricted Reserves - Undistributed Gaming Funds			
Restricted Reserve amount brought forward		(53,015)	(8,479)
Gaming Surplus/(Deficit) for year	13	195,452	(44,536)
Total Restricted Reserves - Undistributed Gaming Funds		142,437	(53,015)

On transition to the new PBE SFR-A (NFP) reporting framework, the equity has been divided into the funds contributed from members and the accumulated surplus and deficits. The amount identified as the accumulated surpluses is the income or loss from the 2012 and later years

Revenue from the Gaming Machines can be used to pay for direct and indirect operating costs of those machines. Surplus funds can then be used for Authorised Purpose Payments as defined by the Department of Internal Affairs guidelines. Where funds are not spent they are able to be carried forward for future use on Authorised Purpose Payments. The above surplus funds are therefore identified as a Restricted Reserve.

The Ability to Continue Operating

The members of the committee in determining that the performance report be prepared on a going concern basis have taken into account events subsequent to balance date.

Golf Club Funds

All golf income and expenditure is paid from the golf club bank account. Those transactions are kept separate from the other activities of the club. There were no funds transfered from the main account to the golf club bank account. (2022: \$nil).

Biological Assets

The club has a small stand of pine trees on the golf club property. These are coming to maturity and may be harvested in the near future. Returns from the trees, net of the harvest and extraction costs, are not known with any certainty and therefore the trees are not recognised as an asset of the club. Any net proceeds from the sale of the trees will be recognised in the year they are received.

Other Information

As per Note 14 Golf Trading Account, Ladies Golf & Mens Golf have been removed from the comparatives as these are sporting adjuncts of the club, not operating revenue of the Golf Club. This does not impact the statement of financial performance.

INDEPENDENT AUDITOR'S REPORT

To the Members of Otorohanga Club Incorporated

Opinion

We have audited the performance report of Otorohanga Club Incorporated (the "Club") on pages 3 to 24, which comprises the statement of financial position as at 31 March 2023, the entity information, statement of service performance, statement of financial performance and statement of cash flows for the year then ended, and the statement of accounting policies and notes to the performance report.

In our opinion, the reported outcomes and outputs, and quantification of the outputs to the extent practicable in the statement of service performance are suitable, and the performance report presents fairly, in all material respects, the entity information for the year then ended, the service performance for the year then ended and the financial position of Otorohanga Club as at 31 March 2023, and its financial performance, and cash flows for the year then ended in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit) issued by the New Zealand Accounting Standards Board.

We conducted our audit in accordance with International Standards on Auditing (New Zealand) ('ISAs (NZ)'), and the audit of the entity information and statement of service performance in accordance with the ISAs and New Zealand Auditing Standard (NZ AS) 1 *The Audit of Service Performance Information* (NZ). Our responsibilities under those standards are further described in the *Auditor's Responsibilities* for the Audit of the Performance Report section of our report. We are independent of the Club in accordance with Professional and Ethical Standard 1 *International Code of Ethics for Assurance Practitioners (including International Independence Standards (New Zealand)* issued by the New Zealand Auditing and Assurance Standards Board and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unqualified opinion.

Other than in our capacity as auditor, we have no relationship with or interests in Otorohanga Club Incorporated.

Restriction on Responsibility

This report is made solely to the Members of Otorohanga Club Incorporated. Our audit work has been undertaken so that we might state to them those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Members of Otorohanga Club Incorporated, for our audit work, for this report, or for the opinions we have formed.

Responsibilities of the Committee for the Performance Report

The Committee are responsible on behalf of the Otorohanga Club Incorporated for:

- The preparation and fair presentation of the performance report in accordance with *Public Benefit* Entity Simple Format Reporting Accrual (Not-For-Profit) issued by the New Zaland Accounting
 Standards Board:
- Choosing service performance criteria that are suitable in order to prepare service performance information in accordance with the Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit) framework; and
- Such internal control as the Committee determine is necessary to enable the preparation of a Performance Report that is free from material misstatement, whether due to fraud or error.

In preparing the performance report, the Committee is responsible on behalf of the entity for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Performance Report

Our objectives are to obtain reasonable assurance about whether the performance report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (NZ) and NZ AS 1 will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this performance report.

As part of an audit in accordance with ISAs (NZ) and NZ AS 1, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the performance report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the use of the going concern basis of accounting by the Committee and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the performance report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the performance report, including the disclosures, and whether the performance report represents the underlying transactions and events in a manner that achieves fair presentation.
- Perform procedures to obtain evidence about and evaluate whether the reported outcomes and outputs, and quantification of the outputs to the extent practicable, are relevant, reliable, comparable and understandable.

We communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
